ARTICLE 6 – DATA COLLECTION

The Insured acknowledges that he/she has been informed that the Insurer processes his/her personal data in accordance with the regulations on the protection of personal data in force and that furthermore:

- The answers to the questions asked are mandatory and in the event of false declarations or omissions, the consequences for the Insured may be the nullity of the subscription to the policy (Article L.113-8 of the French Insurance Code) or reduced compensation (Article L.113-9 of the French Insurance Code),
- The processing of personal data is necessary for the subscription and performance of his/her policy and its cover, the management of commercial and contractual relations, or the execution of legal, regulatory or administrative provisions in force.
- The data collected and processed is retained for the period necessary for the performance of the policy or legal obligation. This data is then archived in accordance with the periods provided for by the provisions relating to limitation periods.
- The recipients of data concerning him/her are, within the limits of their remit, the Insurer's departments responsible for entering into, managing and performing the Insurance Policy and cover, and its delegates, agents, partners, subcontractors and reinsurers in the performance of their duties.

The data may also be transmitted, if necessary, to professional bodies as well as to all persons involved in the policy such as lawyers, experts, judicial officers and ministerial officers, curators, guardians and investigators.

Information concerning him/her may also be sent to the Policyholder, as well as to any persons authorised as Authorised Third Parties (courts, arbitrators, mediators, ministries concerned, supervisory and control authorities and any public bodies authorised to receive it, as well as to the departments in charge of control such as statutory auditors, controllers and departments in charge of internal control).

- In its capacity as a financial institution, the Insurer is subject to the legal obligations arising mainly from the French Monetary and Financial Code in terms of combating money laundering and terrorist financing and, in this respect, it implements a policy monitoring process that may lead to the drafting of a suspicious transaction report or an asset freezing measure.

Data and documents concerning the Insured are retained for a period of five (5) years from the termination of the policy or the termination of the relationship.

- His/her personal data may also be used in the context of processing to combat insurance fraud, which may lead, where applicable, to inclusion on a list of persons presenting a risk of fraud.

This registration may have the effect of lengthening the examination of his/her file, or even the reduction or refusal of a proposed right, benefit, contract or service.

In this context, personal data concerning him/her (or concerning the persons party to or concerned by the policy) may be processed by any authorised persons working within the entities of the Insurer Group in the context of the fight against fraud. This data may also be sent to the authorised staff of organisations directly concerned by fraud (other insurance organisations or intermediaries; judicial authorities, mediators, arbitrators, judicial officers, ministerial officers; third-party organisations authorised by a legal provision and, where applicable, victims of acts of fraud or their representatives).

In the event of a fraud alert, the data is retained for a maximum of six (6) months to support the alert and then is deleted, unless the alert proves to be relevant. In the event of a relevant alert, the data is retained for up to five (5) years from the closure of the fraud file, or until the end of the legal proceedings and the applicable limitation periods.

For persons registered on a list of suspected fraudsters, the data concerning them is deleted after the period of five years from the date of registration on this list.

- In its capacity as Insurer, it is entitled to process data relating to offences, convictions and security measures either at the time the policy is taken out, or during its performance or as part of the management of disputes.
- Personal data may also be used by the Insurer in connection with the processing it carries out, the purpose of which is research and development to improve the quality or relevance of its future insurance and/or assistance products and service offers.
- His/her personal data may be accessible to some of the Insurer's employees or service providers established in countries outside the European Union.
- The Insured has a right of access, rectification, deletion and opposition to the data processed, by providing proof of his/her identity. He/she also has the right to request to limit the use of his/her data when it is no longer necessary, or to retrieve in a structured format the data he/she has provided when the latter is necessary for the policy or when he/she has consented to the use of such data.

He/she has the right to define instructions regarding the fate of his/her personal data after his/her death. These general or specific directives concern the storage, erasure and communication of his/her data after his/her death.

These rights may be exercised with the Data Protection Officer of the Insurer:

- by email to: DRPO@MUTUAIDE.fr
- or
- by post: by writing to the following address: Délégué représentant à la protection des données [Data protection officer] - MUTUAIDE ASSISTANCE - 126, rue de la Piazza – CS 20010 – 93196 Noisy-le-Grand CEDEX.

If he/she is not satisfied after submitting a request to the Data Protection Officer, he/she may refer the matter to the CNIL (Commission Nationale de l'informatique et des Libertés).

ARTICLE 7 – SUBROGATION

MUTUAIDE ASSISTANCE is subrogated, up to the amount of the compensation paid and the benefits provided by it, to the rights and actions of the Beneficiary, against any person responsible for the events that motivated its intervention. When the services provided under the agreement are covered in whole or in part through another company or institution, MUTUAIDE ASSISTANCE shall be subrogated to the rights and actions of the beneficiary against this company or institution.

ARTICLE 8 – LIMITATION PERIOD

Pursuant to Article L.114-1 of the French Insurance Code, any action arising from this policy shall be time-barred two years from the event giving rise thereto. This period is extended to ten years for death cover, with the beneficiaries' actions being time-barred no later than thirty years from this event.

However, this period shall only run:

- in the event of any concealment, omission or false or inaccurate declaration regarding the risk incurred, from the date on which the Insurer becomes aware thereof;
- in the event of a claim, from the date on which the interested parties became aware of it, if they prove that they were unaware of it until then.

If the Insured's action against the Insurer is based on third party recourse, this limitation period shall only run from the day on which this third party brought legal action against the insured or was compensated by the latter.

This limitation period may be interrupted, in accordance with Article L.114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the person against whom he/she was time barred (Article 2240 of the French Civil Code);
- a legal claim, even in summary proceedings, until the proceedings are terminated. The same applies when it is brought before a court without jurisdiction or when the act of referral to the court is annulled by the effect of a procedural defect (Articles 2241 and 2242 of the French Civil Code). The interruption is null and void if the claimant withdraws his/her claim or allows the proceedings to lapse, or if his/her claim is definitively rejected (Article 2243 of the French Civil Code);
- a protective measure taken pursuant to the French Civil Enforcement Procedures Code or an act of enforcement (Article 2244 of the French Civil Code).

It is recalled that:

A summons made to one of the joint and several debtors by a legal action or by an act of enforcement or the recognition by the debtor of the right of the person against whom he/she was time barred interrupts the limitation period against all the others, even against their heirs.

On the other hand, a summons made to one of the heirs of a joint and several debtor or the recognition of this heir does not interrupt the limitation period with regard to the other co-heirs, even in the event of a mortgage claim, if the obligation is divisible. This summons or recognition only interrupts the limitation period, with regard to the other co-debtors, for the share for which this heir is liable.

To interrupt the limitation period for all, with regard to the other co-debtors, the summons must be made to all the heirs of the deceased debtor or the recognition of all these heirs (Article 2245 of the French Civil Code).

A summons issued to the principal debtor or its recognition interrupts the limitation period against the guarantor (Article 2246 of the French Civil Code).

The limitation period may also be interrupted by:

- the appointment of an expert following a claim;
- the sending of a registered letter with acknowledgement of receipt (sent by the Insurer to the Insured with regard to the action for payment of the premium, and sent by the Insured to the Insurer with regard to the payment of the claim compensation).

ARTICLE 9 – SETTLEMENT OF DISPUTES

Any dispute arising between the Insurer and the Insured relating to the determination and payment of benefits shall be submitted by the first party to act, in the absence of an amicable resolution, to the competent court of the beneficiary's Domicile in accordance with the provisions of Article R.114-1 of the French Insurance Code.

ARTICLE 10 – FALSE DECLARATIONS

When they change the nature of the risk or reduce our opinion of it:

- Any concealment or intentionally false declaration on your part shall result in the nullification of the policy. We shall retain all premiums paid, and we shall be entitled to demand payment of the premiums due, as provided for in Article L.113.8 of the French Insurance Code.
- Any omission or inaccurate declaration by you for which bad faith is not established shall result in the termination of the policy 10 days after the notification sent to you by registered letter and/or the application of the reduction in compensation under the French Insurance Code as provided for in Article L.113.9.

ARTICLE 11 – SUPERVISORY AUTHORITY

The authority responsible for the supervision of MUTUAIDE ASSISTANCE is the Autorité de Contrôle Prudenciel et de Résolution (ACPR) – 4, place de Budapest – CS 92459 – 75436 Paris Cedex 9.
